## MESSAGE FROM THE ADMINISTRATOR

**Robert Theller**  
Retirement Administrator

**Your Fire & Police Retirement System** remains more than fully funded and is positioned to strongly secure your current and future retirement. Our goal is to keep it that way by maintaining a pension system which provides benefits which are economical for our sponsor (the City of Fresno) while remaining a life-long, lucrative and sustainable benefit for retired Sworn Safety employees.

Limiting risk is vital for an institutional investor like CFRS. As a long-term investor, we prepare for multiple economic ups and down across future decades. Part of that work is making sure we're taking the appropriate amount of risk to meet our investment goals while still maintaining broad market exposure. The team at CFRS continues to work with our Investment Consultant to build a resilient and innovative investment program that includes frequent reviews of new investment ideas and [existing investment strategy](#).

We provide award winning annual financial reporting that give our members, retirees and the City of Fresno management team the information they need to plan contribution payments and prepare for the budget well in advance. Our Finance team works with our Boards, Auditors and the City Finance team to ensure proper accountability is provided and prudent fiduciary care was taken while spending and investing your assets.

They also prepare a [Popular Annual Financial Report \(PAFR\)](#) which is an easy-to-read summary of the [Annual Comprehensive Financial Report \(ACFR\)](#), we encourage you to read them.

We remain committed to our primary mission of delivering your benefits when you choose to retire. To do that our Benefits team maintains a focus on great customer service while helping you process your retirement or disability application. We will help you through the required paperwork, while also trying to decrease the time it takes to process the applications. CFRS Benefits team is committed to helping you start your retirement. You can start by looking over your account and member information in [MemberDirect](#).

We encourage you to:

- **Attend our meetings** on the second Wednesday (and fourth Tuesday if another meeting is needed) of each month at 1:00 p.m. **in person, or via Zoom**. You can submit general or specific questions or concerns about the Systems that you would like the Boards to address. Please feel free to attend either way if you are curious and just want to see what we do. You can see our [schedules & agendas on our website](#).
- If you see a problem or have an idea for doing something better? **Please submit your positive suggestions for improvements** by email to [Retire@Fresno.gov](mailto:Retire@Fresno.gov) Change to improve is always possible and will help make CFRS a stronger, more resilient organization.

For specific questions or concerns relating to your pension, disability or DROP account, we encourage you to reach out **confidentially** to our Staff at **559-621-7080** to discuss or schedule an appointment.

## MESSAGE FROM THE ADMINISTRATOR (CONT'D)

### On a personal note:

I have valued my time at the Retirement System as well as the personal and professional relationships which have developed while serving the Retirees and Members of Fresno. I appreciate being able to work with the CFRS Retirement boards over the past ten years, which has been a deeply rewarding experience. I am incredibly grateful for the trust placed in me and the opportunity to work with such dedicated individuals.

I will be retiring July 7th, 2026. I am committed to ensuring a smooth transition and am happy to assist with the handover of my responsibilities and want to assure everyone that the Board and staff will still be working diligently to ensure you get more out of your retirement account than you put in, and you do so for a long, long time.

Sincerely,  
Rob Theller
